Martina Castellucci

Product Specialist · Healthcare BI & Data Warehouse · MSc Bioinformatics

PROFILE

Product Specialist at Onit, working on Qlik Cloud dashboards, SQL and data models for private healthcare. MSc in Bioinformatics: for my thesis I built a decision support system for food contamination risk, from LIMS data extraction to statistics, machine learning and dashboards.

EXPERIENCE

Product Specialist, BU DWHSANPRI

Oct 2026 – present

Onit S.p.A. · Cesena · professional apprenticeship

- Qlik Cloud dashboards for private-healthcare clients.
- KPI definitions translated into SQL queries; dimensional modelling (DFM, ROLAP) and ETL.

Qlik Cloud · SQL · PostgreSQL · MySQL · HP Vertica · Pentaho

Bioinformatics Specialist, thesis internship

Feb 2026 – Jul 2026

Neotron S.p.A., Cotecna Group · Modena

- Decision support system for food contamination risk on 182,033 laboratory analyses and 122 contaminants.
- SQL extraction from the LIMS, data cleaning and statistical risk scoring of contaminant–food pairs.
- ML risk prediction with CatBoost (PR-AUC 0.84, 95.5% recall on a 2026 blind test); Docker pipeline and dashboards.

Python · SQL Server · R · Docker · Git · Power BI

Volunteer trainer, bioinformatics orientation

2026 – 2027

Liceo Scientifico "Enzo Ferrari" · Cesenatico · sessions for final-year students · [materials on GitHub](#)

Private tutor

Sep 2021 – present

Freelance · secondary-school students, individual and group lessons

Babysitter & summer homework support

Jul 2020 – Sep 2025

Freelance and Marepineta Resort · Milano Marittima

Hostess & client relations

ongoing

Trade fairs and resort front desk · Italian and English · SIGEP 2026, Rimini

EDUCATION

MSc in Bioinformatics · 110/110 cum laude

2024 – 2026

University of Bologna

Thesis: *A One Health Decision Support System for the Assessment and Prediction of Food Contamination Risk*

BSc in Biotechnology · 110/110 cum laude

2021 – 2024

University of Bologna

Thesis internship in physiology: histology and RNA-seq of rat skeletal muscle.

Scientific high school diploma · 100/100 · Liceo "E. Ferrari",

2015 – 2020

Cesenatico
